Think of the Takeya brand as a theoretical "tea bar" that specializes in making the best iced tea. The baristas use its flagship all-in-one iced tea maker where the tea can be brewed, chilled and served in the same pitcher with patented Flash Chill® technology that brings tea from freshly brewed to ice cold in seconds, cocktail shaker-style. In the Takeya tea bar you can also find premium all natural whole leaf teas that are specially blended to be chilled, as well as glass & stainless steel bottles to take your iced tea on the go and stemless shatterproof wine glasses for iced tea cocktails and entertaining. The company also manufactures beautiful see-through storage containers under the brand name Freshlok. Also available: signage and POP displays

Web: <https://takeyausa.com/>

Additional brands, including these, may be available on a per project basis, if type of product is scripted. Please contact Green Product Placement with any specific needs or inquiries.
